

BLUE ROUTE – KOWLOON TOUR

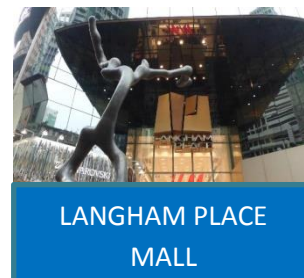

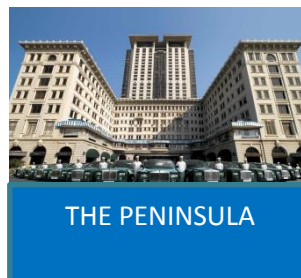

Kowloon, literal translation is ‘Land of the Nine Dragons’, derived from the eight peaks that surround the city and the one Emperor who ruled it. Kowloon is a melting pot of bright neon, shops and markets. You will discover the Bird Market, fortune-tellers and a huge range of bars and restaurants.

Temple Street Market has a wealth of goods from souvenirs to exotic food; all within a short distance of The Space Museum, The Museum of History and the world renowned Hong Kong Cultural Centre.
