

NIGHT TOUR

A visit to Hong Kong would not be complete without experiencing the famous ‘Symphony of Lights’ illuminations and the neon spectacle of Nathan Road. The Big Bus Night Tour of Kowloon offers the best view of both.

The Night Tour is a 1 hour panoramic tour of Kowloon. The tour will take you through the bustling heart of Hong Kong at a time when Kowloon is at its vibrant best. The view of Hong Kong Island’s fantastic ‘Symphony of Lights’ illuminations is undoubtedly the tour highlight and will provide an unforgettable experience. Should you wish, you can finish your tour early and disembark at one of Kowloon’s bustling night markets to shop or sample local foods.

Tours depart every night from Central, at 18:15, before crossing the harbour to the Kowloon pick up at 19:00hrs. Tours start from Big Bus stop 1 by the entrance to the Star Ferry at Pier 7, or Stop 10: Coach bay along Tsim Sha Tsui East Promenade next to Starbucks coffee. The tour finishes at Stop 10 in Kowloon.

Hop off at either breakpoints 1 or 10 of your Big Bus sightseeing night tour and enjoy one of Hong Kong’s classic experiences: a journey across Victoria Harbour on the iconic Star Ferry.
