MOSH! (Moshi) is Singapore's first interactive digital family edutainment park, which showcases state-of-the-art multimedia technology from Japan. Dedicated to providing a unique play-to-learn experience, MOSH! allows visitors to create imaginary worlds of their own in an immersive, virtual creative space.

Orchestrate fireworks, create one-of-a-kind aquatic creatures, or launch a jumbo jet from your hand – MOSH! is the perfect destination for a meaningful family time and a platform for exciting adventures and self-discovery.

Explore your creativity here at MOSH! through play-redefined!
