HISTORICAL

The first LEGOLAND® park was opened in 1968 in Billund, Denmark. This was followed in 1996 and 1999 by the parks in Windsor (UK) and Carlsbad (California). Now in 2012, the 1st LEGOLAND in Asia and 1st International Park in Malaysia, LEGOLAND Malaysia is the sixth park similar to open.

LEGOLAND® Malaysia Resort has seven themed areas of attractions for all ages such as The Beginning, LEGO® Technic, LEGO Kingdoms, Imagination, LEGO City, Land of Adventure and MINILAND. It's an inspirational land where the children are the heroes. From LEGO experiment centres to rollercoasters, the park is a day-long voyage of discovery for all the family.
